Chuwl

You brought me back from the edge of darkness
You brought me back from the edge of night
Now I am ransomed and I'm enraptured
For You have freed me in the bonds of light

Save me You gave me Your very life

(Chorus) **You brought me back again From the flood and from the flame**
You have delivered me by Your blood
You've broken ev'ry chain All the lies of guilt and shame
You're singin' over me Your song of love
Dancin' over me

You brought me back from the edge of shadow
You paid a price that I cannot afford
Now I am coming into the glory
The glory that I was created for

Take me And make me Totally restored

(Chorus) **You brought me back again From the flood and from the flame**
You have delivered me by Your blood
You've broken ev'ry chain All the lies of guilt and shame
You're singin' over me Your song of love
Dancin' over me

(Bridge) You're twisting And spinning Spiraling Whirling around
In violent emotions over me
You're dancing And writhing Trevailing And singing loud
In passionate emotions over me
You're leaping And forming Trembling Circling about
In violent emotions over me over me
Your song and dance of love!

(Chorus) **You brought me back again From the flood and from the flame**
You have delivered me by Your blood
You've broken ev'ry chain All the lies of guilt and shame
You're singin' over me Your song of love
Dancin' over me

You brought me back from the edge of darkness
You brought me back from the edge of night . . .

"The Lord your God is with you, he is mighty to save. He will take great delight in you, he will quiet you with his love, he will rejoice over you with singing." (Zeph 3:17)
